Risk Management Center

Comprehensive Risk Management, Employee Safety and Compliance Platform

Help protect your company with the Risk Management Center, a unique web-based software suite of safety and risk management tools designed to empower your organization's risk prevention efforts.

The Risk Management Center allows you to reduce risk and enable employee safety by creating effective risk mitigation programs. It is easy to access and use, and provides a cost-effective risk reduction and safety center for your entire organization across all departments and locations.

Efficient, Cost-Effective and Time-Saving Solutions

The Risk Management Center is right for any organization that wants to proactively manage their risk exposures and develop effective workplace safety programs to reduce claims, losses, and associated costs.

The goal of any risk management program is to reduce risks and injuries, while improving profitability. The Risk Management Center enables employers to:

- ✓ Meet OSHA hazard communication requirements
- ✓ Access a best-practices safety library
- ✓ Train employees efficiently and effectively
- ✓ Build a behavior-based safety program
- ✓ Manage certificates of insurance to limit liability
- ✓ Create job descriptions and modified duty programs
- ✓ And much more...
